Below you find a few track information illustrated with a related picture.

1. Amazing grace

A old gospel-song play as a blues solo on the steelstring - guitar.

2. Claim up

A original played with the touch technique. The video of this song went around the entire globe.

3. Red horses

A flamenco style original played on the accoustic sologuitar. Imagine red horses running.

4. Moskito summer

A original played with the bottle neck. Imagine a hot summer beside a lake with quite a lot moskitos.

5. Cold fusion

This was my very first song I recorded and produced. It turned out to be very popular.

6. T - Rex

A funky and quite aggressive guitar. You better watch out and you better run !

7. Solitaire

A rock - song with spiritual elements in a time where I needed a lot of patience.

8. HPCRAZY Rock

This was a recording for my students which turned out to be very popular. This is why it is on this compilation.

9. When Conny talks

A funk - fusion related song which remembered me where my roots were. Conny told me to record this song.

10. HPCRAZY's minor blues

A blues in the style of Gary Moore. I always dreamed of playing the guitar like this one day. Now the dream came true.

11. Huggy Bear

HUGGY BEAR from the movie „STARSKY & HUTCH „, inspired me to this song. I had to laugh a lot.

12. Victory - fight for it !

This song was composed and recorded in a time where I had to fight. The song is about fighting and never giving up!
